

Mattress Replacement Discontinued

As of November 1st 2018, the Housing Stability Program will no longer fund the replacement of the following items due to bedbugs:

Mattresses

Box springs

Bed Frames

Mattress covers and moats will continue to be available through the program.

Please Note

If you have applied to replace a mattress, box spring or bedframe due to bedbugs before November 1st 2018, the Centre will honor this arrangement until November 9th 2018.

If you have questions regarding these changes or need help with bedbugs, please discuss this with your worker. We have resources to help!
