

PLEASE JOIN OUR FREE FLS LISTING SERVICE FOR LANDLORD

Dear Landlord,

In the past you have advertised your vacancies on our FLS listing. The Hamilton Housing Help Centre is pleased to announce the launch of our online free listing property service – Housing Connect.

Now a complete and up to date listing of the rental properties on the FLS will be available online. The free online listing service is designed to link tenants and landlords. Landlords can now post a picture of their unit on the website and the new service lets users link directly to the City Maps. Landlords will have the ability to log in online and put up their properties for rent. Renters will now be able to search by categories to find the rental unit that is right for them.

We invite you to register as a landlord with our services
